

PRODUCT DATA SHEET

AM5 M4 Backplate**Description:**

Backplate to extend cooler compatibility for AM5 motherboards from AMD

Properties:

The AM5 M4 backplate is an optional mounting plate that replaces the original AM5 backplate. Some CPU coolers use a mounting kit that comes with M4 threaded screws. These are not compatible with the UNC 6-32 thread used on the AM5 backplate. With the AM5 M4 backplate, appropriate CPU coolers, especially AiO watercoolers, can be used.

Unit	Value/Description
Length	104 mm
Width	65mm
Height	3 mm
Material	Anodised aluminium, polycarbonate

Unit	Value/Description
Color	black
Item number	TG-BP-R7000-R
EAN-Code	4260711990687
Typical Application	Backplate for cooler installation
